Education

Sun Yat-sen University   Guangzhou, China
B.Sc. in Information Management and Information Systems
Sep 2024 – Jun 2028
Skills Gained: Databases, Java, Python (Programming Language)
GPA: Top 20%

Nanyang Technological University   Singapore
B.Eng. in Mechanical Engineering (Transferred)
Aug 2024 – Sep 2024
Transferred to Sun Yat-sen University

Shenzhen Middle School   Shenzhen, China
High School Diploma

Awards

Kaggle NeurIPS – Ariel Data Challenge 2024
Silver Medalist (49th Place) · November 2024
- Gained hands-on experience in machine learning, data preprocessing, and model optimization techniques.
- Enhanced collaboration and version control skills using Kaggle notebooks.

Skills

Programming & Technical Skills:
- Python (Programming Language)
- Java
- Databases

Languages:
-Mandarin Chinese: Native speaker with strong written and verbal communication skills.
-English: Proficient (IELTS 8.0 – August 2023); comfortable with academic writing, presentations, and professional communication.
-Japanese: Intermediate level (JLPT N3 – 150/180, December 2024); able to read and understand everyday texts and engage in basic conversation.
